

### **Important Message Regarding Worship during Covid-19 Pandemic**

Central Norfolk is delighted that some of its churches are planning to re-open for Worship from September. All Government guidelines, including restrictions, including shorter services, no singing and the compulsory wearing of face coverings will be adhered to. These guidelines may change at very short notice but are correct at the time of going to press.

#### **Message for Visitors**

Due to social distancing, numbers will be limited, so **if you plan to attend a service at a chapel that you would not normally visit, please contact them first** to ensure they can accommodate you.

Because of the uncertainty, Holy Communion services have not been planned, but churches and Ministers may make local decisions to hold them.

In the current situation, preachers have been planned for each church every other week. The weeks that do not have a planned preacher have been crossed through with a \, but this does not necessarily mean that the church won't be open that day. There are a number of options available to them for 'in house' services – again, please get in touch with the Church contact for information.
