

MASILAMANI

Educational Trust

Welcome to the Masilamani Education Trust, where we aspire to transform lives through education, honoring the legacy of Mr. Masilamani, a stalwart advocate for learning amidst adversity. Our mission is to empower marginalized communities by providing quality education and fostering opportunities for a brighter future.

Background

Mr Masilamani, a village catechist from an outcaste community, harboured a fervent aspiration to uplift the children of his community through education. His unwavering dedication not only inspired those around him but also propelled his own child, against all odds, to pursue higher education, culminating in doctoral studies. Despite facing discrimination and scorn for daring to dream beyond societal confines, Mr Masilamani's steadfast belief in the transformative power of education propelled him forward.

Vision

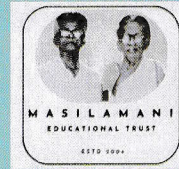

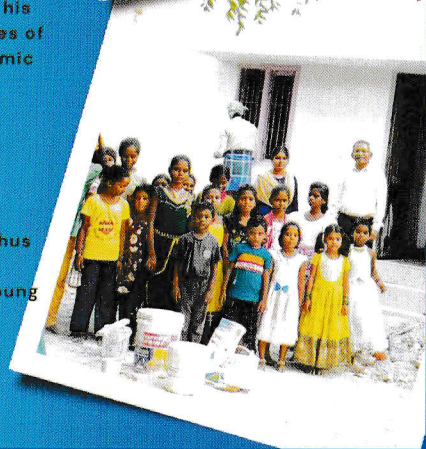

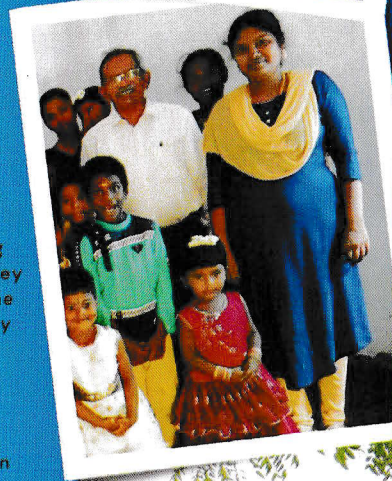

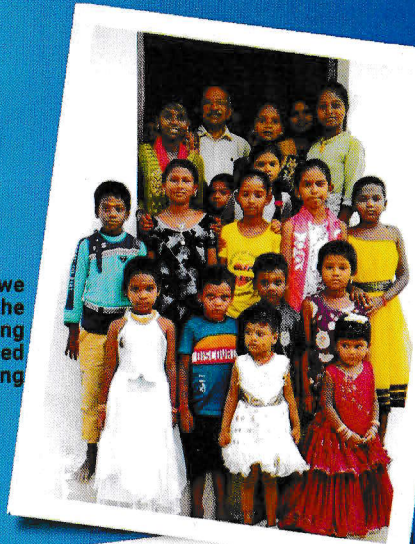

Today, I stand as a testament to Mr. Masilamani's enduring legacy, ministering across the globe, and sharing my journey from social marginalization to empowerment through divine grace. It is incumbent upon me to honour his dream and my own fervent desire to equip and empower children from marginalized communities.

Initiative

In 2004, the Masilamani Education Trust was established in Melayakudi, the very place where my father dedicated his life to service. Over the years, we have touched the lives of numerous children, providing them with not just academic support but also instilling in them the values of ethics, social justice, and character.

Impact

Through our efforts, we have been able to cater to ten children annually, totaling a remarkable 300 children thus far. Our mission extends beyond mere education; it encompasses holistic development, preparing these young minds to become agents of positive change in their communities.

"Knowledge is power. Information is liberating. Education is the premise of progress, in every society, in every family." - Kofi Annan

Partnerships

While the government's support has ceased, we are grateful that the appointed teachers continue to lend their expertise at our tuition centre, bolstering our efforts to empower the children of Melayakudi. Additionally, the unwavering support from our partnering friends and well-wishers remains pivotal in advancing our mission for educational enrichment in the community.

Future Endeavors

With your prayers and support, we aspire to further expand our outreach. Our dream is to ensure that every child from a marginalized community receives quality education, thereby enabling them to secure a sustainable livelihood and in turn, contribute towards the upliftment of others.

Pray for us!

The Masilamani Education Trust stands as a beacon of hope, illuminating the path towards a brighter future for generations to come. We invite you to join us in this noble endeavor, as together, we strive to empower the marginalized and shape a world where every child has the opportunity to thrive. Thank you for your unwavering support.
